CUSTOMIZED CREDIT CARD PROCESSING FOR YOUR FIREARMS BUSINESS

Easy Integrations

Payments that seamlessly integrate with GunBroker, Quickbooks, WooCommerce and 200+ other platforms.

User Friendly

Payments designed to be user-friendly and flexible for both the staff and customers.

Texan Support

Your dedicated Customer Success Manager knows your industry's needs and is actually available by phone.

Cost Savings

Automated level 3 interchange optimization, saves you money on B2B sales, and eliminates manual interchange audits.
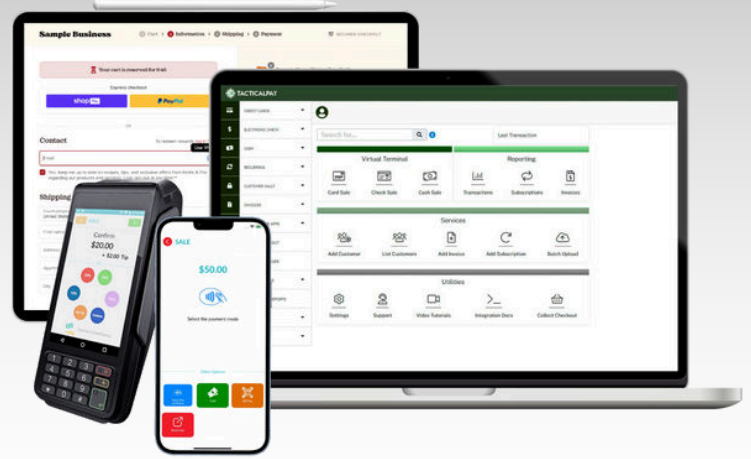

0% Rate Option

Choose on every sale to either pass the transaction cost to the customer or to bear the cost, providing flexibility and options.

Secure & Reliable

Robust encryption and PCI compliance protect you against service interruptions or breaches.

Simplify Your Payments With Our Most Popular Equipment

Our most popular equipment is designed to make retail, mobile and eCommerce firearms payments simple, secure and affordable.
